EXPERIENCE

Nowhere gallery (2022-present), Front End Developer
- Followed a Figma board as a guide to build new live web pages using React, HTML, and CSS
- Worked on a small team of developers working remotely with weekly standup meetings

GP81 Climbing (2018-present), General Manager
- Created and upheld company policies in a growing small business
- Executed and planned a 6,000 ft expansion to the gym
- Navigated reopening during the pandemic, prioritizing staff and member safety
- Managed and grew a team of around 14 people, including 5 managers
- Devised opportunities for staff to develop and nourish skills while maintaining high facility standards for customer satisfaction
- Hired and trained new hires on the procedures, daily operations, gym software, and GP81 values
- Scheduled product orders and supplies while tracking areas of loss and identifying opportunities for improvement
- Organized multiple charity events, partnering with community leaders, and raised thousands of dollars
- Directed two annual climbing competitions with over 200 participants and final rounds
- Managed and updated company website with photo galleries, google calendar integrations, and announcements
